INTRODUCTION

PURPOSE

The Fresno State Alumni Association (FSAA) grants status as an official alumni and friends chapter or club. Official recognition from the FSAA is required to ensure that all interested alumni and friends have ongoing access to the services, benefits and support provided by the FSAA. In turn, this strengthens the overall FSAA in its three value points: Engagement, Scholarship and Recognition.

The purpose of all FSAA alumni and friend's chapters and clubs is to:

1. Establish closer contact between Fresno State and its alumni.
2. Promote the goals and purposes of the University and the department/program/unit they seek to represent.
3. Promote activities that directly benefit alumni and Fresno State
 - a. In the case of chapters and clubs who represent campus-based departments/programs/units, in addition to goals that meet the needs and interests of alumni, goals and activities of the chapter/club should also be in alignment with those of the campus unit.
4. Raise money to support a campus-based need. This can include establishing an endowed scholarship, supporting an already existing endowed scholarship under the FSAA, or supporting a program/department/unit on campus.

OVERSIGHT AND GOVERNANCE

Consistent with the FSAA's Memorandum of Agreement with Fresno State, the FSAA is the sole entity granted the ability to recognize alumni constituency groups and provide them the privileges thereof. All alumni constituency groups are under the supervision of the FSAA and subject to the policies and procedures of the FSAA, its constitution and bylaws, and Fresno State. Since they are under the purview of the FSAA, chapters and clubs do not create or manage their own bylaws.

All Chapters and Clubs are non-dues based. They do not require any payment to join.

TERMS AND DEFINITIONS

Board: In addition to the four officer positions, Chapters and Clubs have the option of developing a larger board. A board is developed at the discretion of the Chapter or Club. It is not a requirement. FSAA staff are available to the officers of Chapters or Clubs should they wish to discuss when the development of a board may be considered.

- Cash:** The term “cash” as used in this Handbook refers to U.S. currency and coin, checks drawn on U.S. banks and written in U.S. dollar values, including travelers, cashiers and certified checks; plus money orders and credit card sales drafts. The forms of currency mentioned above are acceptable forms of payments to the FSAA.
- Chapter:** An FSAA Chapter is an official and formal group of alumni and friends that has formed a bond around a Fresno State academic-based school, college or department. The Chapter has obtained academic acknowledgement from the relevant dean, or their designee, and the approval of the FSAA Board of Directors, affirming their commitment to maintain the requirements for Chapter recognition as described in the policies and procedures contained in this resource guide. Chapters hold official meetings, as well as various fundraising events and activities that typically support its student scholarship endowment fund.
- Club:** An FSAA Club is an official group of alumni and friends that has formed a bond around a non-academic-based theme or a special interest. The Club has obtained acknowledgement from the relevant campus entity (director, advisor, dean, staff member, etc.), and the approval of the FSAA Board of Directors. With the approval of the FSAA, the Club has made a commitment to maintain the requirements for Club recognition as described in the policies and procedures contained in this resource guide.
- Officers:** Officers are the individuals elected to fill one of five positions: President, Vice President, Secretary, Treasurer, and Campus Liaison. The individuals holding these positions are voted on by the attendees of the Chapter/Club on an annual basis. Combined, these individuals are referred to as the Chapters/Clubs “Executive Committee.”
- Volunteers:** Defined as individuals or groups that provide their time and talent, without pay, to Fresno State, FSAA, Chapters, Clubs, or Networks. The individuals and groups voluntarily undertake or express a willingness to provide some sort of service.
- Notes:**
1. When more relevant or beneficial, additional definitions are provided throughout this policy and resource guide where most beneficial.
 2. Note: For purposes of simplicity, in this handbook Chapters and Clubs are collectively referred to as “CC’s.”

STARTING A CHAPTER OR CLUB

APPLICATION PROCESS

1. Any group of individuals may start an alumni and friends chapter or club by meeting the standard requirements.
 - a. If a chapter/club *already exists* that represents the same/part of the same constituency group, the leadership of the proposed *new* CC must meet with the leadership of the other CC.
 - i. Example: The Craig School of Business Alumni and Friends Chapter has existed since 2003. A group of alumni from the Marketing Department wish to start a Marketing Chapter. The group must first meet with the leadership of the Craig School of Business Chapter to discuss their proposal.
2. Complete and submit the “New Chapter or Club” application to the appropriate FSAA staff member.
3. Once submitted a meeting will be scheduled to review the information. All leadership of the proposed new chapter or club must participate in the meeting(s) with FSAA staff.
 - a. Other individuals who wish to support the chapter/club, but who are not part of the leadership team, may also join the meetings.
4. The purpose of the meetings is to:
 - a. Review the application to ensure all information has been completed fully and accurately.
 - b. Enable FSAA staff to fully educate and inform individuals of the purpose of chapters/clubs, and ensure alignment with the strategic plan and goals of the FSAA.
 - c. Answer any and all questions individuals may have about the FSAA, its policies and procedures, operational questions about chapters/clubs, best practices, start-up strategies, etc.
5. Approval process
 - a. Once the FSAA staff member has reviewed and approved the “New Chapter or Club” application and “Annual Renewal Packet”, they will submit to the Engagement Committee (a sub-committee of the FSAA’s Board of Directors).
 - b. The Engagement Committee will review and recommend for approval by the Executive Committee.
 - c. Upon approval by the Executive Committee, the proposal will be approved by the entire FSAA Board of Directors at the next Board of Directors meeting. These meetings are held on a quarterly basis.
6. After the chapter/club is approved:

- a. Chapter/Club leadership will be notified.
- b. The FSAA will create an account for any financial holdings.
- c. An official chapter/club logo will be created and provided to the designated leadership.
- d. A meeting will be scheduled between relevant FSAA staff and the leadership to go over any additional/final details.
- e. The new chapter/club will be announced at the upcoming FSAA Chapter/Club Leadership meeting.

NAMING THE CHAPTER OR CLUB

1. Chapters

- a. As a chapter is an academically-based group, the name of the chapter must correspond with an active college or major at Fresno State.
 - i. Example: Major - Media Communications and Journalism Alumni and Friends Chapter
 - ii. Example: College – Craig School of Business Alumni and Friends Chapter
- b. The names of chapters (and clubs) follow the same naming pattern.
- c. If a chapter for a specific major is being proposed, and a chapter that represents the college that major is under already exists, the individuals proposing the chapter must meet with both the appropriate FSAA staff, as well as the current leadership of that chapter.
 - i. Example: Finance (which is under the Craig School of Business) wish to start an “Alumni and Friends Finance Chapter”. There is already a chapter in existence for the business college, the “Craig School of Business Alumni and Friends Chapter.” The individuals proposing the Finance Chapter must meet with the leadership of the CSB Alumni and Friends Chapter and obtain their approval to start a new chapter.

2. Clubs

- a. As a club is a group of alumni coming together around a non-academic-based-theme or interest, that club must find its most relevant counterpart in a campus-based constituency group.

CHAPTER/CLUB OFFICERS

All CC's are required to have all officer positions filled on an annual basis. These positions make up a CC's Executive Committee. Each position must be filled by a unique individual. One person may not serve in multiple positions (i.e. serve as President and Treasurer). After all required positions are filled, CC's have the option of developing a board. Below is a list of all required positions and their associated roles.

OFFICER ELIGIBILITY

5. Campus Liaison
- a. This position *must* be filled by a Fresno State staff or faculty member.

 - c. The Campus Liaison will serve as the on-campus advocate for the CC, serving as a "connecting point" between the alumni CC, and the campus.
 - d. They will attend all meetings of the Executive Committee.
 - e. The Campus Liaison is a non-voting member of the Executive Committee.

DEVELOPING A BOARD

To help ensure representative leadership, sustainability and succession planning, CC's can develop representative boards. The FSAA can provide guidance on developing your board. Below are some suggestions.

1. Academic/Degree representation: If a chapter of a college, create one board position for each major within the college, ensuring an alumna/s serves from each of these areas.
2. Student representation: To help ensure connections to students, and to help create awareness among students of the alumni CC, create a position for a current undergraduate student. Consider reaching out to student clubs and organizations, and

the college/department/program to identify student leaders who would be suitable for this position.

3. Faculty/Staff: Active participation from faculty and staff helps ensure connections to the campus, and representation of the CC to campus groups. At a minimum, this position is accounted for by the Campus Liaison. *Additional* positions can be created at the discretion of the CC leadership and with input and direction from the FSAA and the academic area the chapter represents. Consider reaching out to the Dean, Department Chair, or other relevant faculty or staff position for recommendations on who this person could be.
4. Professional Development: As many CC's seek to connect with students for the purposes of professional development, mentoring, interning, etc., to the benefit of students as well as alumni, a position on your board whose responsibility it is to connect with career/professional development staff in the college/department/program, or the Career Development Center is recommended.
5. Ex-officer or board members: For officers and/or board members who have rotated off the Executive Team or board, and in order to help in the transition to new leadership, CC's can consider creating a group for these individuals. The alumni association can provide suggestions and assistance on creating and naming this group of people.

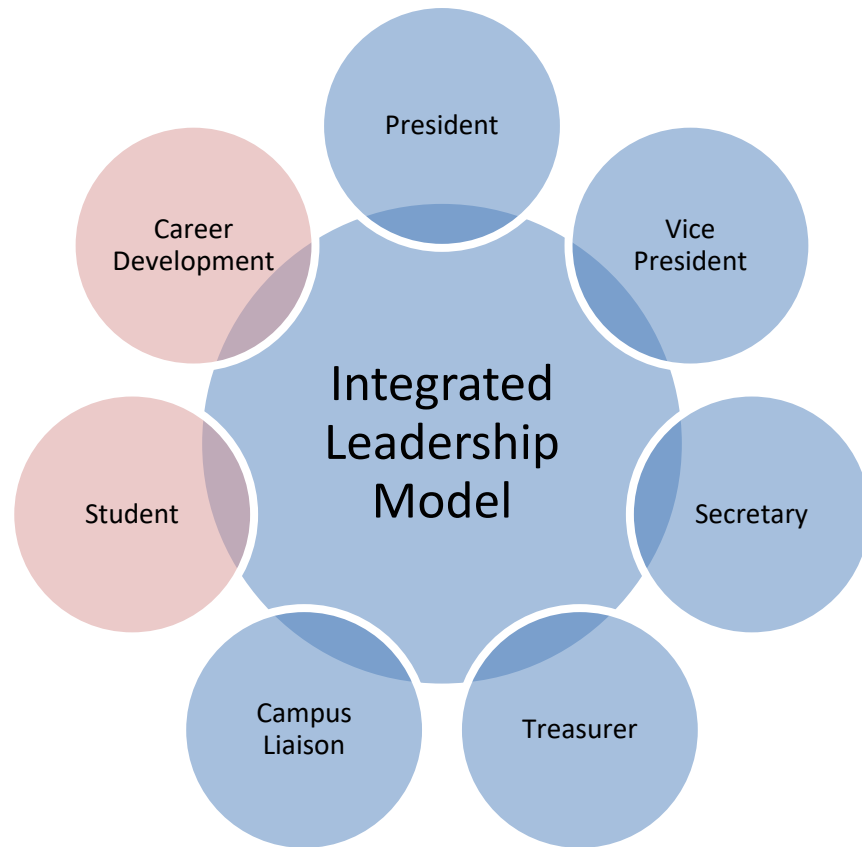

Figure 1 Integrated Chapter/Club Leadership Model.
Circles in blue are required positions, circles in red are optional.

TERMS OF OFFICE AND TERM LIMITS

The criteria below apply equally to officer and board positions.

1. All officers and/or board members shall be elected to serve a two (2) year term for any one position.
 - a. Exception for inaugural elections: The terms of officer shall be staggered during the inaugural election.
 - i. Offices of President and Vice President shall be elected for a two-year term.
 - ii. Secretary and Treasurer shall be elected for a one-year term.
 - iii. In each succeeding election, officers shall be elected to two-year terms.
2. Should an opportunity arise within a two-year term to move into another position, that individual may do so. If they move into another position, their two-year term will reset.
3. No individual may serve in *one* single position for more than three (3) consecutive terms, or six years.
4. After a *total* of six years of service, whether in multiple positions or one position, the individual must take one year off of service on the Executive Committee.
 - a. If the CC has a board, the individual may be elected to a position on the board. Otherwise, the individual must take at least one year off before again being eligible for an officer position.
5. Vacancies in any office may be filled by Presidential appointment from active participants of the CC's board, known prior event attendance, or other significant participation in the CC, for the unexpired portion of the vacant term.
6. Any officer may be removed, either with or without cause, by written ballot with a two-thirds (2/3) majority of the rest of the officers responding.
 - a. Prior to removal, the FSAA must be notified by the officers to be informed of the situation and reason for removal.
7. An officer may resign at any time by written notice to the officers and FSAA. Any such resignation shall take effect upon receipt of such notice or at any later time specified therein.

ADDITIONAL ROLES TO CONSIDER

In addition to the roles and responsibilities of officers, it is recommended to assign to officers and/or board members to the functions below:

1. Event planning: Due to the complex and involved nature of event planning, it is recommended that this be a shared responsibility. As most events involve fundraising and/or financial transactions, the Treasurer should be actively involved with all event planning. An additional officer or board member should be assigned to this area.

2. Social media/communications: Identify one individual in the CC to be responsible to manage the CC's social media presence. **The FSAA will promote events on Social Media channels including the Alumni App. Each CC will get administrative access to the App to manage their social media group.**
3. Liaison to campus stakeholders: Especially for clubs, if the CC has student organizations on campus that represent their interests as alumni, identify one officer/board member to maintain active communications with those groups. If a board position exists for a current undergraduate student, this role is likely filled by this board position. This position would be in addition to the required Campus Liaison position that participates as a member of the CC's Executive Team.
4. Sub-committees: Depending on the nature of your CC's annual activities, consider establishing sub-committees. Sub-committees are an effective way to assign specific individuals to a set scope of tasks, helping to ensure those tasks are performed. They are also a good way to involve others in your CC who are not an officer or sit on your board. They are a good way to recruit others for future leadership opportunities. Examples of when a sub-committee may be helpful include planning an event, or in managing your endowed scholarship (i.e. these individuals would review applications, interview candidates, etc.)

RECOGNITION AND ANNUAL RENEWAL REQUIREMENTS

During the initial creation of a CC, and during the annual renewal period thereafter, in order to be recognized by the FSAA Board of Directors, all CC's shall meet the following requirements:

2. Officers

 - b. FSAA staff that will be of assistance include: Director of Engagement, Director of Development (fundraising), and the Event Coordinator.

 - a. Raising awareness about the CC.
 - b. Recruitment to the CC.
 - c. Raising funds to support a student group, program, department/unit on campus that the CC wishes to support (i.e. raising money to help a student club build a student booth, or to support a conference or competition a student club wishes to attend, or helping a program buy new materials).
 - d. Raising funds for the CC's operating account (to support the CC's engagement activities) and/or for the CC's endowed scholarship.

DONATIONS, SPONSORSHIPS, ADVERTISING, AND FAIR MARKET VALUE

As a way to reduce costs to the CC, all CC's are encouraged to identify individuals, companies, or other organizations who are willing to donate or contribute revenue, products or services. The following information explains the difference between donations (gifts), sponsorships, advertising, and how to determine Fair Market Value (FMV). Additional explanation is provided on how donations and sponsorships are to be accounted for so the entity receives the appropriate credit or recognition, and to ensure the information is recorded according to Fresno State policy.

DONATIONS, GIFTS, IN-KIND DONATIONS

1. A donation/gift is a contribution received by an institution for either unrestricted or restricted use in the furtherance of the institution for which the institution has made no commitment of resources or services other than possibly, committing to use the gift as the donor specifies (per CASE Standards).
2. Once the University has accepted a donation/gift, it becomes University property. At this point, the donor relinquishes control of the donation/gift and has no direct decision-making power regarding the disposition of the gift. However, donor intent is paramount in determining how the gift is used. If the University cannot comply with the donor's intent, it cannot accept the donation/gift.
3. A gift is considered a donation. Please see the section below for additional information on donations.
4. Due to additional IRS regulations, when a non-cash donation of \$5,000 or more is offered, prior to being accepted, the gift must receive additional review.
5. Gifts with Quid Pro Quo
 - a. A gift is made without consideration. The Latin term "quid pro quo" means "this for that." A quid pro quo donation implies the donor receives something of value in return for the donation. In fact, a portion of the donation represents a purchase of goods or services. The item which is being purchased is referred to as a premium.
 - b. To comply with IRS regulations, the University must provide a written statement to donors of a quid pro quo contribution in excess of \$75. This statement must tell the donor that they can deduct only the amount of the payment that is *more than* the value of the goods or services received by the donor. It must also give the donor a good faith estimate of the value of those goods or services. The University can give the donor the statement either when it solicits the gift or

when it receives the gift. This requirement is separate from the written substantiation a donor needs for deductibility purposes (i.e. receipt) which is required for all contributions in excess of \$250 (see *Example 4* below).

- c. By federal law and IRS regulations, the donor *must* reduce the amount of charitable contribution by the fair market value (FMV) of the premium received. The University is required to notify the donor of the FMV of the premium in most cases. This notification should appear on the solicitation vehicle.
6. Receiving/Recording a donation
 - a. Donations made via cash or check may be received using the FSAA Donor Card.
 - b. Donations must be turned into the FSAA within five days of receipt so the donation can be processed and assigned to the Chapter/Club.
 - c. The Donor Card *must* be used so that donor information (name, address, etc.) is captured. This ensures the donor and donation is recorded by Fresno State, and so the FSAA can mail them a donation letter (for tax purposes).
 - d. Donations may also be made online. All information required for record-keeping and tax reporting purposes is captured via the online giving form.

OPPORTUNITY DRAWINGS (RAFFLES)

In accordance with California State legislation, opportunity drawings are permitted with specific restrictions. Please note that 50-50% raffles are illegal in California; only 90-10% raffles are permitted.

1. Opportunity drawing purchases are *not* tax-deductible.
2. Any anticipated opportunity drawings must be reported on the CC's [Officer/Board Meetings and Events Schedule Form](#) on an annual basis.
3. Once indicated, the FSAA will submit the required documentation to the State of California Department of Justice.
4. For additional instructions use the [Opportunity Drawing \(Raffle\) – How to Organize](#) resource, and the [Opportunity Drawing \(Raffle\) – Item description sheet](#).
5. After the opportunity drawing has been completed you must submit the completed [Opportunity Drawing Report Form](#) within 15 days of the event.
 - a. This information is submitted along with all other event-related financial information.
6. The FSAA will submit the year-end documentation to the State of California Department of Justice.

SILENT AUCTIONS

1. CC's may plan silent auctions.

2. For additional instructions refer to the [Silent Auction – How to Organize](#) resource.
3. Every silent auction item must be accompanied by an [FSAA bid sheet](#).
4. Please note that donors of items do not receive tax deductions. If the bidder pays more than the base price of the auction item, the bidder will receive a tax deductible for the amount balance that exceeded the base price.
5. Auction items cannot be listed as “priceless.” Donors can suggest a value to a product or service but it is up to the CC officers to determine the item’s value and assign a price on it for the silent auction. Donors do not get a tax deductible for the donated products and services.
6. All silent auction items are subject to California sales tax.
 - a. Sales tax will be accounted for *after* all auction item proceeds are determined.
 - b. If the item is a good/product (i.e. wine), then sales tax must be applied at the current tax rate.
 - c. If the item is a service (i.e. spa day), sales tax *does not* apply.
4. The Chapter/Club is financially responsible for sales tax on tangible items (products).
5. After the silent auction has been completed, you must submit all financial information within 15 days of the auction.
 - a. This information is submitted along with all other event-related financial information.

SPONSORSHIPS

1. A payment qualifies as a sponsorship as long as the sponsor does not receive any substantial benefits in return.
2. Per IRS rules, Fresno State and the Fresno State Alumni Association can acknowledge sponsors by mentioning or displaying the following:
 - a. Company name, company logo, product lines and contact information (address, phone number, web address).
 - b. Slogans and value-neutral descriptions of a sponsor’s goods or services in acknowledging their support.
 - c. Display or distribute a sponsor’s product(s) to the general public at the sponsored activity or event.
 - d. Exception: If the sponsorship is published in a periodical, regularly scheduled and printed on behalf of the University, that is not related to and primarily distributed in connection with a specific event then it is considered advertising. If a newsletter has an online edition, it is considered a periodical. Meeting, convention or event programs are not considered periodicals.
3. Post-event, chapter/club leadership is responsible to provide proof of performance to all sponsors. A report of the deliverables the sponsor received must be provided to the sponsor.
4. Speak with an FSAA staff member for additional guidance.

ADVERTISING

1. Advertising is not a qualified sponsorship payment (i.e. not a gift) if, in return, the organization advertises the sponsors products or services.
2. Advertising includes:
 - a. Messages containing qualitative or comparative language, price information or other indications of savings or value;
 - b. endorsements;
 - c. inducements to purchase, sell or use the sponsor's products, facilities or services.
3. Sponsorships and advertisements are *not* a donation. As there is a benefit received by the entity they are *not* tax deductible.

FAIR MARKET VALUE (FMV)

1. According to IRS guidelines, FMV is the price that an item would sell for on the open market. It is the price that would be agreed on between a willing buyer and a willing seller, with neither being required to act, and both having reasonable knowledge of the relevant facts.
2. How to determine FMV
 - a. According to the IRS, factors in making and supporting the valuation of an item include:
 - i. The cost or selling price of an item
 - ii. Sales of comparable items
 - iii. Replacement cost, or
 - iv. Opinions of experts
3. Why determining FMV matters
 - a. Fresno State (FS), the FSAA, and often times individuals themselves need to determine FMV of an item. Many times a portion of the cost of an activity is considered a donation. But unless the FMV is determined, the individual cannot claim that amount on their tax returns.
 - b. FS and the FSAA must determine FMV for purposes of accurate record-keeping, and to ensure proper tracking of actual donors. Also, so that when a portion of an item is considered a donation, because individuals often wish to claim that on their tax filings, they must have documentation from Fresno State/the FSAA. Thus, FS/FSAA must know the FMV of an item for both internal tracking and auditing purposes, and to ensure proper donor receipting.

EXAMPLES

Example 1: Annual golf tournament		
Event cost (per person):	\$100.00	
A FMV exercise is completed for each of the elements below:	FMV	Cost to CC

1. One round of golf:	\$50.00	\$40.00
2. Meal:	\$20.00	\$15.00
3. Polo shirt:	\$20.00	\$20.00
Total FMV cost:	\$90.00	-----
Total CC cost:	-----	\$75.00
Total CC profit:	-----	\$25.00
Amount considered donation:	\$10.00	-----

Example 2: Continuing Medical Education Seminar		
Event cost (per person):	\$50.00	
A FMV exercise is completed for each of the elements below:	FMV	Cost to CC
1. Seminar	\$70.00	\$00.00
2. Lunch	\$20.00	\$15.00
Total FMV cost:	\$90.00	-----
Total CC cost:	-----	\$15.00
Total CC profit:	-----	\$35.00
Amount considered donation:	\$00.00	-----
<p>Explanation:</p> <p>Often times the speaker may donate their time, or offer it at a reduced cost. However, FMV looks at what the cost would be in the <i>marketplace</i>. In this example, because the speaker donated their time, the cost of the event was kept lower, but because the cost for such an event in the <i>marketplace</i> would be higher, the per person cost for the seminar, plus the cost of the lunch, resulted in no portion of the fee being considered a donation. The chapter will generate revenue from the event, helping to support their activities and/or their scholarship, but no attendee's to the event will count as donors.</p>		

Example 3a: Silent Auction		
Final bid amount for an item (iPad). Item was donated by local company:	\$500.00	
	FMV	Cost to CC
1. CC sets minimum bid amount for iPad	\$400.00	\$00.00
Total CC cost:	-----	\$0.00
Total CC profit:	-----	\$500.00
Amount considered donation by the donor of the item:	See below	
Amount considered donation by the individual who won bid:	\$100.00	-----
<p>Explanation:</p> <ol style="list-style-type: none"> <u>Donor of the iPad:</u> It is up to the donor of the item to determine the FMV. The donation letter to the donor from the FSAA or the CC for a non-cash donation can only list a description of the item donated. It can never include the FMV. It is up to the donor to determine the FMV when they are preparing their tax return. <u>Winner of the iPad:</u> Because the final amount they paid was more than the minimum bid amount, the \$100 difference is considered a donation.

Example 3b: Silent Auction

Final bid amount for an item (iPad). Item was donated by local company:

	FMV	Cost to CC
1. CC sets minimum bid amount for iPad	\$400.00	\$00.00
Total FMV cost:	\$400.00	-----
Total CC cost:	-----	\$0.00
Total CC profit:	-----	\$200.00
Amount considered donation by the individual who won bid:	\$0.00	-----
Amount considered donation by the donor of the item:	See below	

Explanation:

1. Donor of the iPad: It is up to the donor of the item to determine the FMV. The donation letter to the donor from the FSAA or the CC for a non-cash donation can only list a description of the item donated. It can never include the FMV. It is up to the donor to determine the FMV when they are preparing their tax return.
2. Winner of the iPad: Because the final bid amount was less than the minimum bid, while the CC still generates \$200 in revenue, the winner of the iPad does not receive any donation credit.

For additional directions on Silent Auctions refer to the handout [Silent Auctions – How to Organize](#)

Example 4: Quid Pro Quo

1. Individual makes donation of wine for an event, value of donation:	\$500.00
2. In exchange, the individual receives sponsor recognition, valued at:	\$200.00
3. Amount the donor may deduct as a donation:	\$300.00
4.	
5.	
6.	

Explanation:

3. Donor of the iPad: It is up to the donor of the item to determine the FMV. The donation letter to the donor from the FSAA or the CC for a non-cash donation can only list a description of the item donated. It can never include the FMV. It is up to the donor to determine the FMV when they are preparing their tax return.
4. Winner of the iPad: Because the final bid amount was less than the minimum bid, while the CC still generates \$200 in revenue, the winner of the iPad does not receive any donation credit.

EVENT PLANNING

The FSAA provides event planning resources to officially recognized CC's. Below are guidelines and helpful tips on planning a successful event.

HOW THE FSAA SUPPORTS YOUR EVENT

1. Online event registration and payment processing.
2. Email and social media event marketing.
3. Post-event financial reconciliation.

CHAPTER/CLUB RESPONSIBILITIES IN EVENT PLANNING

1. Consult with the FSAA events staff liaison throughout your event planning process.
2. Always complete the [Event Planning and Promotions](#) form.
 - a. This is required documentation for FSAA liability insurance reporting.
 - b. Submit 60-90 days prior to the date of your event.
 - c. This form facilitates graphic design, marketing, and online event registration support as needed.
3. Planning your event, including securing a location, obtaining proper waivers, securing contracts, contact with event vendors and other event logistics. For additional help, please contact the FSAA.
4. **Marketing**
 - a. **University branding standards**
 - i. All event collateral (digital) must adhere to Fresno State Branding Standards and be approved by the FSAA before use.
 - ii. This includes, but is not limited to: Invitations, brochures/flyers, clothing, banners, etc.
 - b. Use the Alumni App to market your events through social media
 - c. When marketing, and promoting the event to others, must use the following statement:

"The [CC Name] is dedicated to providing meaningful engagement of alumni and friends of Fresno State. With the fundraising efforts of volunteers and private donors, we are able to support student success."
5. Event financials.
 - a. A W-9 is required from any vendors or businesses that payment needs to be made to.

- b. A financial budget will be provided if requested. The financial budget will help the CC manage their event finances internally.
 - c. For food and beverages reimbursement, CC must submit the check-in sheet along with the receipts
 - d. Please refer to the “Financial Practices” section for additional information.
- 6. Execution of event.
- 7. Post-event wrap-up.
 - a. Submit the Post-Event Report Form, check-in sheet and financial forms within 15 days of the event.
 - b. For financial reconciliation information, please refer to the “Financial Practices” section of this guide.

EVENTS HELD ON-CAMPUS

1. Any event held on Fresno State's campus must adhere to University Policies including but not limited to:
 - a. Reservations of campus facilities, including the Smittcamp Alumni House.
 - b. University alcohol policy.
 - c. Use of University Catering (unless a food waiver is submitted and approved by the University).
 - d. Use of Pepsi products at all events.
2. For more information, read the Event Request Form.

SCHOLARSHIPS

ESTABLISHING A SCHOLARSHIP

1. A scholarship fund may be established with a \$100 donation.
2. An endowment and associated scholarship agreement is executed when the balance in the fund has reached \$5,000.
3. At the time the endowment is established, a plan must be established to increase the amount of the endowment to \$25,000 within a five year period.
4. Consistent with Fresno State policy, the FSAA *requires* that a CC raise the initial \$5,000 for its scholarship endowment fund, first, before awarding any one-time scholarships out of its operating account.
5. Working with the FSAA and Fresno State's Scholarship Office, the CC will identify any additional eligibility requirements.
 - a. All criteria must be reviewed and approved by the Fresno State Scholarship Office, the FSAA's Scholarship Committee, and the FSAA Board of Directors.
6. After a scholarship has been officially endowed with the initial \$5,000.00, it can take up to two years for it to realize initial earnings.
 - a. When necessary, CC's are encouraged to establish their own selection committee to review applications and select a scholarship recipient.

Please see "How Scholarships Work: A Visual Example" at end of this section.

MANAGING YOUR SCHOLARSHIP

1. The FSAA scholarship endowment is overseen by the FSAA Executive, Finance, and Scholarship Committees.
2. The FSAA works with an off-campus investment firm to review and revise prudent investment policies.
3. The FSAA scholarship endowment is the "pie," while the chapter, club or individual scholarship is a "slice of the pie."

Please see "How Scholarships Work: A Visual Example" at end of this section.

SCHOLARSHIP EARNINGS CYCLE

1. In the spring of every year the FSAA will “draw a line in the sand” to review scholarship endowment levels to establish allocations for the *following* year’s awards.
2. Process
 - a. The FSAA Finance and Scholarship Committee, with the assistance of the FSAA’s off-campus investment firm, will make an overall allocation recommendation to the FSAA Scholarship Committee.
 - b. The FSAA Finance and Scholarship Committee will review the overall allocation and establish individual amounts (for each scholarship award), and then make a recommendation to the FSAA Board of Directors.
 - c. At that time, the Board of Directors will either approve or deny the recommendation.
3. Example:
 - a. June 30: The “Acme Endowed Scholarship” has an endowment level of \$50,000.
 - b. The allocation is 4% (\$2,000.00).
 - c. The “Acme Endowed Scholarship” will provide a \$2,000 for the year *after* next year’s academic year.

Please see “How Scholarships Work: A Visual Example” at end of this section.

GROWING YOUR ENDOWED SCHOLARSHIP

1. Balancing long-term growth with yearly scholarship awards
 - a. After the scholarship is endowed at \$25,000.00, the CC may utilize all of or majority of fifty percent (50%) of its fundraising dollars to increase its scholarship endowment fund; and also utilize the remaining amount, up to fifty percent (50%) of its fundraising dollars, to provide as an annual, one-time scholarship.
 - b. Whatever dollar amount the CC wishes to award as a one-time scholarship from its operating (general) account, the *same amount* must be moved to its endowed scholarship (endowment) account on an annual basis.
 - i. Example:
 1. A CC has \$50,000 in its endowed scholarship.
 2. They have \$10,000 in their operating account.
 3. They award a \$2,000 scholarship from their operating fund.
 4. They must *also* transfer \$2,000 into their endowment, increasing the endowment to \$52,000.
2. Most CC’s will hold various fundraising events throughout the year. The proceeds of these events will often benefit the CC’s endowed scholarship.

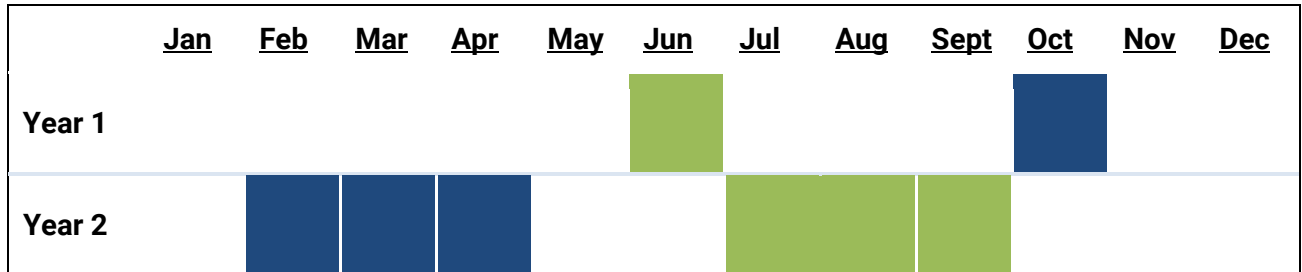

- a. Examples of events: Golf tournaments, silent auctions, seminars/workshops/continuing education workshops.
3. The following forms of payments/donations are accepted: Cash, checks and credit card gifts, donations in the form of securities, real property and corporate matching gifts, gifts derived from beneficiary designations on life insurance policies, retirement plan accounts, living wills and trusts.
4. For additional ideas on generating revenue to help build an endowed scholarship contact the FSAA staff.

SCHOLARSHIP TIMELINE

1. All potential scholarship recipients (students) must complete an official Fresno State online scholarship application. The window to apply is from October 1st (fall semester), through March 1 (spring semester). All FSAA scholarships are applied for via this online scholarship application.
2. With the assistance of Fresno State's Scholarship Office, in the spring the the CC's Scholarship Committee have the option of reviewing applicants through Academic Works themselves or have the FSAA pull a list applications to review and select scholars, as well as alternates.
3. Once recipients are selected, prior to notifying the recipient the FSAA is required to:
 - a. Verify their enrollment for the upcoming semester.
 - b. Confirm they have completed any/all registration requirements.
 - c. In addition to the actual recipient, it is required to select two alternates per scholarship.
4. Once enrollment and other registration requirements are confirmed, the FSAA will notify the student they have been selected as a recipient electronically.
5. The student must then accept the scholarship through Fresno State's online portal.
6. After the student accepts, the FSAA will send the student confirmation via mail.
7. If the recipient declines the scholarship, or does not meet the criteria (i.e. they will not be enrolled), the alternate will be contacted and offered the scholarship, when possible.

HOW SCHOLARSHIPS WORK: A VISUAL EXAMPLE

Timeline

Timeline Explained

1	June 30 (Year 1) earnings of a \$50,000 scholarship yield a 6% return. The determination is made to use 4% (\$2,000) to award a scholarship. The remaining 2% is reinvested into the endowment. Scholarship is awarded the <i>following</i> September (Year 2; #7).
2	Scholarship application period for the <i>next</i> academic/fiscal year begins.
3	Scholarship application period closes.
4	Review of scholarship applications, recipients (primary and alternate) are selected by the CC's selection committee.
5	A CC may submit paperwork to the Matching Scholarship Program to have <i>up to</i> an additional \$500 added to annual scholarship award.
6	Scholarship recipients are vetted to ensure they meet eligibility criteria (i.e. are enrolled for the upcoming year). If all criteria are met, recipients are notified they have been selected, are sent information to accept and must return information to the FSAA.
7	Recipients receive their scholarship automatically in their student account.

FSAA MATCHING SCHOLARSHIP PROGRAM

The FSAA provides CC's with up to a \$500 matching scholarship to support student scholarships.

How the Matching Scholarship Program works:

1. A CC must comply with all CC annual renewal and maintenance requirements (i.e. they must be a currently recognized CC with officers).
2. To apply, complete the ["Matching Scholarship Program"](#) form and submit by no later than April 1st.
3. As funds are available, the FSAA will match *up to* a maximum of \$500.00 per CC.
4. Matching funds are provided on a "first come, first serve" basis.
5. The match is based on the earnings (interest) of the endowed scholarship, not from funds in the operating account.

ORDERING PRODUCTS AND SUPPLIES

Many CC's will order products for their organization, or require supplies are part of their events or normal operations. Products can include polo shirts, t-shirts, branded tablecloths (with the CC's name/logo on it), or other giveaways. Below are general guidelines for all products and supplies.

ORDERING PRODUCTS

1. All products must be ordered through the FSAA, using vendors that are licensed with Fresno State. The FSAA will connect the CC with the appropriate vendor, helping to facilitate communication and the design/review process.
2. Licensed vendors are companies that have met specific criteria in using Fresno State and affiliated trademarked names and that often provide reduced rates. As all logos have "Fresno State" as part of the logo, and as "Fresno State" is a trademarked name, any/all items that have the CC's logo on it are required to be ordered through a licensed vendor.
3. For items where a trademark does not apply/is not used, it is still required to use a licensed vendor.
4. The use of the Fresno State seal is not permitted without special approval from the University Communications office.

ORDERING SUPPLIES

CC's have the option of ordering supplies through the FSAA, but may also purchase supplies on their own (to be reimbursed for supplies purchased on their own, the CC must submit the Payment/Reimbursement form along with the original receipt). Supplies that can be purchased through the FSAA, and their cost, include:

Item	Cost
Bulldog paw pins*	First 30 are free \$1.00 per pin after 30

**Paw Pins can only be ordered through the FSAA*

When items are ordered through the FSAA, the cost will be billed directly to the CC. If there are items needed that do not appear on this list please inquire with the FSAA.

LEGAL

CONTRACTS AND AGREEMENTS

1. As CC's are under the non-profit status of the FSAA, any matters involving contracts more than \$500.00 must be approved by the FSAA and Fresno State.
2. Questions concerning these matters should be directed to the appropriate FSAA staff.

INSURANCE COVERAGE

This section serves as a reference intended to provide CC's with information and guidelines concerning liability and volunteers. Please be aware that the FSAA's insurance carrier will determine claims and incidents on a case-by-case basis.

1. Liability Insurance
 - a. As officially recognized organizations under the FSAA, CC's are generally covered under the FSAA's insurance. However, when having an event, some off-campus venues may require the CC to provide a certificate of insurance and liability coverage. If/When this occurs, the CC must contact the FSAA's Event Coordinator to obtain the proper documentation. See "Liability Insurance Coverage" below for additional information.
 - b. Transportation
 - i. Cars and Truck Rentals
 1. If a rental car and/or truck are needed, the volunteer must use their personal automobile insurance if an incident occurs. In the

event of an incident, the volunteer's automobile insurance will be the primary source of insurance; the FSAA liability coverage will be the secondary. The FSAA liability insurance will only apply during the time specifically used for CC business.

2. Example: U-Haul truck rented for event. Later used for personal use. Incident occurs during personal use will not be covered under the FSAA liability insurance.
- ii. Volunteer Drivers
 1. All volunteer drivers must have both a valid driver's license and personal automobile insurance coverage. This policy applies when driving personal or rented vehicles.
 2. If a volunteer driver does not have a license or insurance, they are *not* covered by the FSAA liability insurance.
 - iii. Events
 1. Any incidents that occur during an event that has *not* previously been reported to the FSAA as being organized by the CC will not be covered under the FSAA liability insurance.
 - iv. Vendor Liability
 1. CC's must obtain proof of liability insurance from all vendors used for an event, *before* the event takes place. This includes, but is not limited to, venues and entertainment.
 2. Proof of liability insurance is evidenced by obtaining a valid certificate of insurance with the "Fresno State Alumni Association" listed as an additional insured party, with the appropriate additional insured endorsement.
 - v. Bounce houses and live animals
 1. Any vendor renting "fair-like" equipment must carry liability insurance. "Fair-like" equipment includes, but is not limited to, bounce houses, petting zoos and mechanical rides.

CLAIM REPORTING

1. Any incident that occurs during a CC event must be reported to the FSAA immediately. Be prepared with the following information:
 - a. Event name, date, location, and time of incident
 - b. Name and contact information of individuals involved
 - c. Description of incident
 - d. Did the Security respond? Was Security contacted? If so, case number?
 - e. Did the Police respond? Were Police contacted? If so, case number?
 - f. How did the CC handle the incident?

- g. Name and contact information of any witnesses
- h. Name and contact information for volunteer submitting incident report.

WORKERS' COMPENSATION

- 1. Volunteers are not covered under Workers' Compensation.

ALCOHOL

- 1. Alcohol should be served by a venue or caterer that has the appropriate license to serve alcoholic beverages. A venue or caterer serving alcohol must have liability insurance.
- 2. If you wish to serve alcoholic beverages yourself, you will need to apply and obtain your own ABC (Alcohol Beverage Control) liquor license.
- 3. The CC is responsible for obtaining proof of liability insurance from the venue or caterer.
- 4. Any event held on campus where alcohol is to be served is required to follow Fresno State's guidelines regarding alcohol safety.
- 5. Pre-approval from Fresno State is required before serving alcohol on campus.

VOLUNTEERS

- 1. All FSAA-related volunteers must be 18 years of age.

AMENDMENTS TO THE POLICY AND RESOURCE GUIDE

- 1. All substantive amendments to this guide require a two-thirds (2/3) affirmative vote of a quorum of the FSAA Board of Directors.
- 2. This guide shall be reviewed and updated annually as deemed necessary by the FSAA Board of Directors, with input provided by the FSAA staff.
- 3. Any non-substantive amendments, limited to correcting formatting issues or typographical errors, can be made at any time, as directed by the Executive Director of the FSAA.
- 4. Non-substantive amendments do not require the approval of the Board of Directors.

SUSPENSION, DISSOLUTION, AND RECLASSIFICATION

The FSAA is committed to assisting all recognized CC's to being viable and successful. When a CC is unable to meet the minimum CC Maintenance Requirements, it may face suspension, dissolution or reclassification.

SUSPENSION AND DISSOLUTION BY THE CHAPTER OR CLUB

1. A CC may be suspended if there is no longer an interest or ability by the CC leadership or constituents to maintain the CC.
2. The FSAA will acknowledge the CC suspension when it receives written notification from the CC leadership of self-imposed suspension.
3. The written notification should be directed to the FSAA.
4. The FSAA staff will inform the FSAA Board of Directors of the self-imposed suspension.
5. Upon recognized suspension by the FSAA Board of Directors, all funds generated by the suspended CC's activities and events will be held in trust by the FSAA for one year. These funds cannot be expended, except for the reactivation and maintenance of the CC.
6. If after one year from the date of suspension, the CC is not reactivated, then the CC may be dissolved by the FSAA Board of Directors.
7. Upon dissolution, and funds held in trust will be transferred to the FSAA general operating account.

SUSPENSION AND DISSOLUTION BY THE FSAA

1. The FSAA may suspend a CC if it fails to meet the CC maintenance requirements.
2. When suspension or dissolution becomes necessary, the following process will be followed:
 - a. A written notice of suspension will be sent to the CC's leadership team by the FSAA.
 - b. The notice shall include a request to participate in a meeting with the members of the leadership team to discuss the CC's status.
 - i. An additional notice will be sent to the Dean/Department Chair/Representative, requesting their participation at the meeting.

- c. Depending on the outcome, FSAA staff will make a recommendation regarding the CC's ongoing status – continuance, suspension or dissolution – to the FSAA Board of Directors.
- d. Should suspension be the outcome of the meeting(s), then all funds generated by the CC's activity will be held in trust by the FSAA for one year. These funds cannot be expended, except for the reactivation and maintenance of the CC.
- e. If after one year from the date of suspension, the CC is not reactivated, then the CC may be dissolved by the FSAA Board of Directors.
- f. Upon dissolution, the CC funds held in trust will be transferred to the FSAA general operating account.
